

Maine Pediatric & Behavioral Health Partnership

Fostering enhanced children's behavioral health throughout Maine,
especially in rural and medically underserved areas.

Advisory Board Meeting February 10, 2021

Maine Pediatric and Behavioral Health Partnership (MPBHP) is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$1,851,222.00 with zero percentage financed with nongovernmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government.

MPBHP is a partnership between Maine CDC, Northern Light Acadia Hospital and MaineHealth

Updates

Recruitment / Enrollment

- Each implementation team has started to outreach the identified practices in Cohort 1 to set up an introductory meeting.
- Having a hard time getting practices to return calls or find time to schedule a meeting for us to be able to discuss our program and what we can offer.
- Northern Light Acadia Hospital Implementation team has already had a couple of meetings and is working with practice managers on enrolling in our program.
- MaineHealth has been calling practices to try and schedule a meeting
- Any ideas or suggestions???

Subgroup Needed

- We need to create a subgroup that focuses on sustainability and Financial payment and reimbursement for consultations.
- We will look at possible avenues through Mainecare but also need to approach private insurance companies.
- Please let me know if you are interested in joining a subgroup to look at financial reimbursement and sustainability of this program.
